EMPLOYMENT VERIFICATION – NURSING EXPERIENCE

In order to receive credit for nursing experience, State law requires that the Board obtain verification of employment and certification from the Registered Nurse (RN) Director or Supervisor that the applicant has demonstrated the required knowledge and skills during the applicant's *paid general duty bedside nursing experience*.

INSTRUCTIONS TO APPLICANT:

- Complete Part I on the second page of this form and provide a copy of both pages to each employer for the past ten (10) years. (You may reproduce as many copies of this form as needed.)
- This form must be completed in full by the RN Director or Supervisor and <u>returned directly to you</u> in the employer's sealed business envelope. The UNOPENED sealed envelopes containing the <u>Employment Verification Forms must be submitted to the Board with your Application for Vocational Nurse Licensure.</u>
- If you already have an application on the file with the Board and are submitting additional experience, the employment verification form may be submitted to the Board by the applicant or the employer, but must be received in the employer's sealed business envelope.

Please be advised that employment verification forms that appear to have been opened or altered will not be accepted. The Board conducts random audits to verify the accuracy of the information submitted. Discrepancies or false statements included in the application can result in licensure denial.

INSTRUCTIONS TO EMPLOYER:

The applicant on page two of this form is applying for licensure as a vocational nurse under Section 2873 of the Business and Professions Code. In order for the applicant to receive credit for nursing experience, State law requires the Board to obtain verification of employment and certification from the RN Director or Supervisor, that the applicant has demonstrated required knowledge and skills during the applicant's *paid general duty bedside nursing experience*.

- Please complete Parts II, III and IV on page two of this form and <u>return it to the applicant in a sealed business envelope.</u> Indicate on the outside of the envelope <u>"Employment Verification Enclosed Do Not Open"</u>. It is the applicant's responsibility to collect the Employment Verification Form(s) and submit them with the application for licensure.
- Part II: Indicate the name and type of facility where the experience was obtained.
- **Part III:** Provide the specific dates that the applicant worked under your supervision, in the area of nursing being verified. Additionally, indicate if the applicant was employed full time (40 hrs./wk.) or part time and <u>include the number of hours worked in each area.</u> The Board MUST receive a breakdown of the number of hours spent in each area, in order to evaluate the experience.
- Part IV: Indicate whether the applicant has satisfactorily demonstrated each of the knowledge and skills with safety to the patient. The skills listed in Part IV(B) may be demonstrated in classroom, lab, and/or patient care settings.

Thank you for your assistance. Please feel free to contact the Board at (916) 263-7800 if you have any questions.
